## REMINDERS: TUITION, MAILBOXES, & Enrollment Forms

This is a reminder that tuition is due every **Monday morning at drop-off**. There is a **\$10/day late fee charge** for tuition not received on time. Also, please remember to check your child's mailbox at the entrance on the stairs for newsletters, communication and any work your child has to bring home.

### **FIELD TRIP FUNDS**

Please also be sure to check our calendar and newsletter for upcoming field trips and make sure to have the field trip fee and any waivers/field trip forms turned in on the specified date. Thank you!

### **ENROLLMENT FORMS & UPDATE FORMS**

Be sure to return all enrollment forms received in your registration packet ASAP. This includes the Health Evaluation from completed by your child's physician and current immunizations. Please let me know if you have any questions. For current families, please fill out the Updated Enrollment Packet and return to me by 9/1/16.

### **TOYS FROM HOME**

Please remember that we do not allow toys from home. Bringing toys from home often times causes a disruption. If the item becomes broken or misplaced, the child may become very upset. Additionally, it is hard for children at this age to want to share their own possessions, and when we are at school, all toys and materials are available for each and every child. Children may bring in a **STUFFED ANIMAL** for quiet time, which will be left in their cubby until this time period. Thank you for your cooperation!

## **Please Label Your Child's Belongings**

As we tend to see duplicate items for the children, please make sure to label any items they bring in to school so that we do not send a wrong item home with the wrong child. **This includes: coats, sweaters, shoes, hats, boots, mittens, water bottles, snow pants, etc**

## **A Quick Note About Shoes**

I would like to make a friendly request, from all of the parents: If possible, it would be very helpful if parents could refrain from sending their child in tied shoes if he/she cannot tie his or her own shoes. We ask this, because tied shoes greatly increases our time getting shoes on so many children to get outside. We work very hard at not having too much idle time with the kids as this is when unwanted behaviors occur. Additionally, tied shoes are more difficult for the child to pull onto their feet by themselves. As teaching independence to the children is a big part of our curriculum, slip on or Velcro shoes will help the kids with their confidence. **THANK YOU for your help and understanding!**

## **Facebook**

We're on Facebook! Add us as a friend for school updates, and lots of pictures of the kids! On Facebook, search for "**Babette Reinhardt**". I try to upload pictures to Facebook almost daily, be sure to add yourself and see what is happening at school!
